September 15, 2011

Dear Site members and non-members,

On September 8, 2011 Site Texas hosted an event at the North Texas Food Bank (NTFB) in Dallas, TX. Our energetic coordinator, Sophia led us through a Volunteer Orientation before it was time to get to work. Together with some additional volunteers our group was able to assemble 336 boxes, which translates into *7,656 meals for area senior citizens*. After working collaboratively to accomplish these great results we took a tour of the facility and then stopped in their great meeting space (room for up to 200) for a 'shelter' lunch. Although none of us knew what to expect from our lunch, we were pleasantly surprised to be served an incredibly delicious and well-balanced meal!

While eating we learned more about the "Serving U" program offered by the NTFB. It is a mutually beneficial CSR program that provides the NTFB with essential services, while your company gains valuable training and teambuilding outcomes. Overall, this was an incredibly rewarding and successful event and we hope you consider NTFB for your next CSR event in the Dallas area!

We hope to see you at our next event, which will take place in November at El Fenix in Dallas. This event will be sponsored by Palace Resorts so be sure to be ready for a fiesta!

Thanks for all of your support,

Jonathan Richards
