July 22, 2011

We are pleased to report our recent Site Texas Network Mixer “Building Relationships” at The Quarry Golf Club in San Antonio, Texas, was a great success!

A special thanks to the folks at [The Quarry Golf Club](#) for a great event—with space for up to 200 guests this truly is a unique venue with high quality service, food and beverage, and a phenomenal Texas “links” style golf course with the back-9 set inside an old Quarry. Thanks to management several of us got to play this beautiful course complimentary as part of registration—very nice!

If you are interested in checking out this venue please contact Sandy Bench, Site Texas VP Member Services, and San Antonio CVB representative, at [SandraBench@visitsanantonio.com](mailto:SandraBench@visitsanantonio.com).

Thanks to all who helped in preparing, delivering, sponsoring, and participating in our July Network Mixer event. We look forward to seeing you soon at an [upcoming 2011 event](#).
